

# ECE353 In Class Exercise

## ARM Assembly – Load/Store Multiple

### Problem 3A

Follow the comments found in `ece353_main.s` that will require you to use LDM and STM instructions. Make sure to use the memory window in the debugger to verify your code.

### What to Turn in

You are encouraged to work with your classmates to complete this exercise. Each student will in their version of `ece353_main.s`. Submissions are evaluated for overall understanding of the concepts. They are not going to be evaluated based on if the code is 100% correct.
